Full job description

Your new company

Global Insurance Company which has acquired recently new personal lines of business. This is an exciting opportunity to make a an impact across all facets of the business while driving P&L financial performance to meet organisation objectives.

Your new role

This role leads the development and implementation initiatives at every level of the company that aligns with the strategic plan. The position will also be responsible for building strategic alliances and partnerships, partnering with the executive board to plan for short and long term outcomes; implementing new business practices and continuous improvement methods; managing change effectively whilst engaging employees to drive a strong performance culture.

What you'll need to succeed

Held CEO position or similar role, ideally from insurance or brokerage . Relevant tertiary qualifications that enable the CEO to effectively represent the business. Outstanding people leadership skills with proven ability to articulate a clear vision and maintain a positive and highly engaged team. Experience from underwriting, claims or finance will be highly regarded.

What you need to do now
